"He states that he is employed here as a police agent and to be working for the police on the question of illegal emigration. He stated that the police have informed him that they are not in any way interested in information on former Nazis, but exclusively interested in information on the Communist Party. LANGE claims to have all the information on the European set-up for illegal emigration of former Nazi Generals to the Western Hemisphere. According to LANGE, the guiding spirit is in Rome and is called Professor Stefano ERCOIE DRAGANOVIC of Via Calabria 20, Rome (N.B. this person may be identical with Father Stjepan DRAGANOVIC, a Croat priest who was reported in September 1949 to have travelled from Argentina to Rome and to have helped SKORZENY to get to Argentina.)

"A certain (Name) Rossi of Via Calabria 12, Rome, works with DRAGANOVIC.

"LANGE states that the following former Nazis are now in Argentina:

A certain BERGER, ex S.D.  
Theodor WESSELS, a rocket expert  
Otto SKORZENY himself  
(N.B. most improbable) Martin BORMANN."

[ ] said that because of Subject's reference to his open connections with the Federal Police that they did not plan to have anything to do with him. Although [ ] did not say so directly, [ ] gained the impression that Subject had undoubtedly visited [ ] embassy and had been interviewed by him or one of his representatives.

6. This Station has no further contact with Subject. [ ] will question [ ] concerning Subject within the next two weeks when [ ] returns from vacation.
